The dispatching of workmen from TEAMSTERS LOCAL 150 employment office is governed by Law, the Master Agreement of Heavy Highway Building & Construction TEAMSTERS of Northern California and the Rules of Procedure. Workmen are referred to employment on a Locality basis. Since the rules are established by contract and by law, no person may vary these rules. I acknowledge that I have read the said contract & rules and agree to comply with them. I further understand that unless I comply with these rules, I will be removed from the list.
